Dr. David Sanders graduated from the University of Toronto Faculty of Medicine in 1993 and completed residency in Orthopedic Surgery at Western University in 1998. He is certified in Orthopedic Surgery from the Royal College of Physicians and Surgeons of Canada since 1998. He completed two clinical fellowships in Orthopedic Trauma at the University of Western Ontario (1999) and Vanderbilt University (2000) in Nashville, TN, and completed an MSc degree in Medical Biophysics at Western University in 1999. He has worked as an Orthopedic Surgeon at London Health Sciences Centre since July 2000. He is a Professor at Western University, and Chief of Orthopaedics at Victoria Hospital. He specializes in Trauma and Foot and Ankle surgery and is focused on primary and reconstructive surgery for all complex fractures of the pelvis and extremities.
