

# PARENTS & CAREGIVERS

Learn about a new way to make medical decisions!

## A Virtual Education Session for Parents and Primary Caregivers

### Join us for an interactive education session on Shared Decision Making

Parents of children with complex medical needs are faced with many challenging medical decisions. This session will provide tools, strategies and information to help parents and primary caregivers meet the challenges of decision making for their child. The session will cover:

- What is Shared Decision Making
- How it works
- Tools and Resources
- Role of a Decision Coach
- Decision Examples

### Upcoming Virtual Session:

#### Shared Decision Making

**June 27, 2022**

**4:00 p.m. – 5:30 p.m.**

**Dr. Craig Campbell**  
Pediatric Neurologist

**Bonnie Wooten**  
Decision Coach
