

General Booking Notes:

Patient is within appropriate catchment area (if patient is from Chatham, Kitchener/Waterloo, Cambridge, Windsor, Owen Sound and Sarnia referring physician should be directed to closest cancer centre) with exceptions for patients referred for clinical trials or requiring specialized care.

- If requirements are met, patients should be booked into the next available medical oncology consultation slot without medical oncologist triage required.
- If outstanding items are missing, a note is sent back to the referring physician to complete.
- If uncertain review referral request with triaging oncologist, with response in 24 hours.

If all criteria are present then book in the next available consult slot, otherwise return to the referring physician to complete indicated investigations/documentation.

If reviewed at MDT and MDT recommends consultation with missing diagnostics/pathology/cytogenetics may book in next available slot and document MDT approval for consultation booking.
