

General Booking Notes:

- If requirements are met, patients should be booked into the next available medical oncology consultation slot without medical oncologist triage required.
- If outstanding items are missing, a note is sent back to the referring physician to complete.
- If uncertain review referral request with triaging oncologist.

If all criteria are present then book in the next available consult slot, otherwise return to the referring physician to complete indicated investigations/documentation.

If reviewed at MDT and MDT recommends consultation with missing diagnostics/pathology may book in next available slot and document MDT approval for consultation booking.
