

## Riverforks Community Update – February 2016

Dear Riverforks Community Member:

I am pleased to advise you that LHSC's Adult Eating Disorders Service (AEDS) is in final preparations to relocate to their new space at 54 Riverview Avenue. The move is currently scheduled to begin April 19 and will be completed by April 21. During this time, you will see increased activity around the property with moving trucks, etc. The Adult Eating Disorders Service will resume operation on April 22.

Throughout this process LHSC continues to be committed to being a good neighbour to the Riverforks community and I encourage you to send me your questions or concerns. You can also read previous updates on the LHSC [website](#). If you do not wish to receive further updates regarding this facility please let us know by replying to this e-mail.

Sincerely,
