

HAPPY NATIONAL EMS WEEK! May 18 to 24, 2014

The Southwest Ontario Regional Base Hospital Program team would like to take this opportunity to say thank you for all that you do.

Thank you for your compassion and devotion to patient care. Thank you for taking time away from your families to keep our communities safe. Thank you for risking your safety and for your bravery. Thank you for your commitment as a paramedic.

We know you are dedicated, we know you care, and we also know that you don't get the amount of thanks you deserve most of the time.

We would like to give a sincere **THANK YOU** to all our paramedics across the Southwest Ontario region.

As a small token of our appreciation, the SWORBHP Team will be travelling across the southwest region this week to make special deliveries to all the EMS stations!

So keep an eye out for us in your area and hopefully we will be able to meet some of you during our travels this week!
