

ONA

Nurse Case Manager: Regular Part-Time “B” CEPS Mental Health - Mental Health Care Program

Victoria Hospital

This position is covered by a collective agreement. Applications from outside the bargaining unit are welcome but can only be considered if the position is not filled from within this bargaining unit.

Reporting to the Manager of Outpatient Services, the Nurse Case Manager provides comprehensive assessment and triage for the clients in the Emergency Department. The CEPS program offers mentorship demonstrating flexibility and a commitment to working within an academic environment.

Rate of Pay: \$30.63/hour to \$ 44.26/hour

Hours of Work: Regular Part-Time hours up to 24 hours bi-weekly

QUALIFICATIONS:

- Currently registered with the College of Nurses of Ontario
- Current BLS for Healthcare Providers Course: BLS-HCP (C)
- B.Sc.N. Degree or equivalent acceptable to the hospital preferred
- Canadian Psychiatric Mental Health Nursing Certification CPMHN(c) preferred
- Minimum five years recent, related experience working in an acute mental health care program
- Recent, relevant experience in a Nurse Case Manager role incorporating the six essential activities of case management; assessment, coordination, planning, monitoring, implementation & evaluation in multiple environments
- Ability to proficiently conduct a mental health assessment for intervention and treatment
- Demonstrated crisis assessment and intervention skills
- Knowledge of community services and services across the mental health care continuum
- Expert knowledge of various acts including Mental Health, PIPEDA, PHIPA
- Proficient computer and keyboarding skills preferably in Power Chart and Cerner
- Demonstrated ability to work effectively with community partners and as part of a trans-disciplinary team
- Knowledge of co-ordination of health care issues, mental health act, acute and tertiary health care system
- Ability to demonstrate knowledge of psychopharmacology
- Demonstrated flexibility and a commitment to working within an academic environment
- Excellent time management, organizational, interpersonal and communication skills (both written & oral) including negotiation, consensus building and conflict resolution skills with the ability to interact with others in a respectful manner
- Demonstrated ability to be self-directed and to function independently in a fast-paced environment
- Commitment to life long learning and professional development
- Demonstrated knowledge of and commitment to patient and staff safety
- Demonstrated ability to attend work on a regular basis

We foster a culture of patient and staff safety whereby all employees are guided by LHSC's Mission, Vision, Values and Code of Conduct. As part of the assessment process applicants may be required to complete a written examination or test.

Please be advised that a reference check may be conducted as part of the selection process.

Your interest in this opportunity is appreciated. Only those applicants selected for an interview will be contacted. Successful candidates would be required to provide a satisfactory vulnerable sector police check (original document) completed in the last 4 months.

In order to be considered for this position, please submit a completed detailed resume to:
