

**Posting Number: 34956**

**London Health Sciences Centre**

***Non-Union***

**Nurse Practitioner: Regular Full-Time  
Surgical Care –General Surgery  
University Hospital**

The NP possesses a Master's degree in nursing from an approved Nurse Practitioner program in accordance to the College of Nurses of Ontario. The NP demonstrates a comprehensive knowledge base in Surgical Care exhibiting a high degree of clinical competence in caring for general surgical patients with acute and specialized healthcare needs. The NP scope of practice incorporates the skills and knowledge from the disciplines of nursing and medicine. Working in collaboration with a physician or group of physicians, the NP manages, directs and provides comprehensive care for a select patient population in a collaborative interdisciplinary team environment. The NP provides comprehensive patient care using advanced assessment skills and a sound knowledge of clinical therapeutics and provides indirect patient care services to support patient care, promote professional education, and advance knowledge through research and scholarly activities. All duties and responsibilities of the NP conform to professional practice standards and hospital guidelines and are in accordance with a written Collaborative practice agreement with physician members of the medical staff at London Health Sciences Centre.

**Rate of Pay:** \$42.917/hour to \$52.586/hour

**Hours of Work:** 37.5 hours per week

**QUALIFICATIONS:**

- Master's Degree in Nursing with Acute Care Nurse Practitioner Program at the graduate level
- College of Nurses of Ontario: Registered Nurse Certificate of Competence with Extended Class
- Current Basic Life Support for Healthcare Providers course: BLS-HCP(C); ACLS preferred
- Current member of Nurse Practitioners' Associate of Ontario (NPAO) through Registered Nurses Association of Ontario (RNAO) preferred
- Minimum 5 years' recent, related experience in a general surgery environment
