- Current Certificate of Registration with the College of Nurses of Ontario
- Current Basic Life Support for Healthcare Providers course: BLS-HCP(C)
- Certificate in Nephrology from the Canadian Nurses Association an asset
- Current Hemodialysis experience
- Previous experience in Nephrology nursing
- Four years recent acute care nursing experience
- Previous experience in primary nursing
- Demonstrated excellent clinical skills
- Demonstrated independence in clinical practice
- Demonstrates commitment to self education (formal and informal)
- Commitment to professional development
- Demonstrated organizational, interpersonal, and communication skills (both verbal and written) and high levels of initiative
- Proven ability to work independently as well as motivated to be an enthusiastic member of an interdisciplinary team
- Ability to function autonomously and to adapt to constantly changing unpredictable situations, and varying workload
- Effective conflict resolution skills
- Demonstrated knowledge of and commitment to patient and staff safety at LHSC
- Demonstrated ability to attend work on a regular basis

We foster a culture of patient and staff safety whereby all employees are guided by LHSC's Mission, Vision, Values and Code of Conduct.

As part of the assessment process applicants may be required to complete a written examination or test. Please be advised that a reference check may be conducted as part of the selection process.

Your interest in this opportunity is appreciated. Only those applicants selected for an interview will be contacted. Successful candidates, as a condition of job offer, would be required to provide a satisfactory vulnerable sector police check (original document) completed in the last 4 months.

In order to be considered for this position, please submit a detailed resume to:
