

## **MOTU Screamer Alarm Testing Process**

- All Nurses will obtain a personal screamer alarm at the start of each shift
- All Nurses will return the personal screamer alarm at the end of each shift
- The charge nurse, educator and communication clerk will have an assigned personal screaming to be worn at all times while on shift
- Screamer alarms will be tested q2weeks by staff/leadership and documented
- All staff are required to sign off that they have read and understood the “Screamer Alarm Training-General” information sheet before they can use a personal screamer alarm
- Leaders will maintain a backup supply of screamer alarms to replace any that are not functioning (as found in q2week audits or by staff notification)
